Eastern Wisconsin D.H.I.C. and the Scholarship Fund of Manitowoc County D.H.I.A. makes available \$5,000.00 each year for students continuing their education in the agriculture field. Please encourage any students you may know to apply for these scholarships. We have had years that there were not enough applicants and the money was not awarded to any individuals. All scholarships and eligibility information is available at our website www.ewdhic.org. If you have any further questions feel free to call 920-528-8942.

Happy Holidays!

Scholarship Opportunity

The Wisconsin State Fair Dairy Promotion Board is offering \$1,000 scholarships to be used during the second semester of the 2018-19 school year.

Third and fourth-year college students pursuing dairy-related or food science degrees at one of Wisconsin's four-year universities are eligible to apply. Additional scholarships will be available to high school seniors planning to pursue a dairy-related or food science degree at one of Wisconsin's four-year universities or students studying in a two-year, technical school program related to dairy or food science.

Applicants will be evaluated on involvement and leadership in dairy-related activities, scholastic achievement, and career objectives. Finalists will be interviewed in mid-April, with the recipients to be recognized at the 2018 Wisconsin State Fair.

The application is available at <http://wistatefair.com/competitions/dairy-promo-board/>.

Application deadline is Friday, March 23.

For more information, contact Katy Katzman at 262-903-6727 or katzman@idcnet.com.

FSA County Committees Seek Advisor Nominations

The Manitowoc and Calumet Farm Service Agency (FSA) offices are currently searching for minority producers interested in serving as an advisor to the FSA County Committees. It is recommended that interested groups or individuals submit advisor nominations by January 5, 2018. Nominations received after this date may still be considered.

"The persons selected to serve as an advisor will be instrumental in increasing the awareness and participation in FSA activities, including elections," said Tom Schneider, Director of the Manitowoc and Chilton FSA Offices. "The advisor will help insure that problems and viewpoints of the underrepresented groups are understood and considered in local FSA actions."

Other duties of the County Committee advisors include:

- Attending each committee meeting, including executive sessions.
- Participating in all deliberations, although advisors do not have voting rights.
- Helping to develop interest and incentives in minority group members for considering FSA work as a career.

- Actively soliciting candidates from underserved groups for nomination during the committee election process.
- Performing special duties at the County Committee's request.

Appointments are for a 12-month period, effective March 1, 2018.

County Committee members and advisors make decisions that are important to farmers and agricultural landowners. Manitowoc and Calumet County each have their own FSA Committee. As a representative of the U.S. government entrusted with this responsibility, each committee member and advisor must make sure all producers are treated fairly.

If interested in serving as an advisor to the Manitowoc FSA County Committee or the Calumet FSA County Committee, please contact Tom Schneider at 920-683-5119, ext. 2 or by e-mail to tom.schneider@wi.usda.gov. Nominations can be sent to this email address or to the Manitowoc FSA Office at PO Box 1840, Manitowoc WI 54221-1840 or the Chilton FSA Office at 206 Court St, Chilton WI 53014-1127.

GIVE YOUR CALF A LITTLE PUSH TO INCREASE YOUR BOTTOM LINE.

Push™ is a blend of highly digestible proteins and energy components developed to help calves overcome stress, disease challenges and low energy reserves. The globulin proteins and high energy components included in Push have a balanced blend of these two key colostrum components.

When to use Push:

- A calf that seems depressed and has little interest in standing within the first hour of life.
- After a difficult birth.
- Not consuming colostrum immediately following birth.
- Recovering from disease or infection.
- Not consuming adequate feed and acting lethargic.
- Transported over some distance, has become less alert and seems depressed.
- Scouring, not eating and losing weight. In this situation an electrolyte, such as NuLife® Oral Electrolytes, that aids in controlling the fluid balance within the calf should also be administered.
- One cannot give a full dose of colostrum at birth.
- Quality of colostrum is questionable.

Push is derived from bovine colostrum and contains maternally derived globulin proteins and bovine colostrum fat for a rapid response in calves.

The Sheboygan County Forage Council will be holding monthly hay auctions from December through April at Adell Coop, Adell. The auctions are no longer quality-tested.

The Sheboygan County Forage Council's Goal is to provide a local market for sellers and buyers of hay, straw and other forages, and to help establish local prices for forages.

The Hay Auctions are a convenient way for hay buyers & sellers to get together.

Becoming the Employer/Manager of Choice Learning & Discussion Series

All classes will be held at the Neville Public Museum,
210 Museum Place, Green Bay.

Participants may sign up for as few or as many classes as they choose.
See back for registration form and more information.

La información que se presenta en los siguientes módulos está disponible en inglés y español por medio de servicios de interpretación simultánea. Para más información sobre estos servicios, llame a Jennifer Blazek al 608-224-3717.

Information presented during the following modules is available in both English and Spanish through the use of simultaneous interpretation services. For more information about these services, call Jennifer Blazek at 920-224-3717.

"From Managers to Leaders"—Wednesday, November 29, from 1-3 pm

In this first session, we will discuss the difference between being a manager and being a leader. Participants will learn about leadership styles and identify their preferred style. Group discussion will focus on which leadership style is best applied in different employee management situations and learn from each other's experiences.

"Hiring the Right People" and "Developing a Motivated Workforce"—Wednesday, December 13, from 1-3 pm

Participants will learn how to reduce miss-hires and turnover and improve employee performance by exploring the hiring process and learning how to create a motivating environment. Group discussion will be focused on participants' experiences and provided scenarios to talk through suggestions and best practices.

"Strategic Leadership & On-Boarding" and "Reviews and Feedback"—Wednesday, January 10, from 1-4 pm

Set your new employees up for success by learning how on-boarding practices and regular training opportunities are key for their development. Effectively communicating expectations can reduce new employee confusion and poor productivity. Keep them on track by learning how to provide constructive feedback, performance reviews, and incentive plans. Group discussion will focus on participants' on-boarding, training practices, employee reviews and feedback, and how these ideas can be shared and used by others.

"Managing Conflict" and "The Farm Business Culture"—Wednesday, January 17, from 1-4 pm

Learn about effective communication strategies and the basic concepts in conflict management to help navigate through difficult situations. Then, learn about the farm business culture. No two farms are alike because the people who make up the farm team are unique. Learn about organizational culture and how it affects employee motivation and engagement. Group discussion will focus on conflict scenarios and constructive feedback for future situations as well as ideas for improving farm business culture.

Presenters and Discussion Leaders:

Liz Binversie, Agriculture Educator, Brown County UW-Extension

Jennifer Blazek, Dairy & Livestock Educator, Dane County UW-Extension

Simon Jette-Nantel, Farm Management Specialist, UW-Extension Center for Dairy Profitability

Nutrient Management Class Offerings 2018

Nutrient management plans (NMPs) are a Statewide Conservation Performance Standard. Farmers participating in the Wisconsin Farmland Preservation (FPP) tax credit program are required to have a Nutrient Management Plan.

25 farms participating in this year's NMP Class may qualify for a \$300 incentive (if in groundwater sensitive regions of Manitowoc Co.) for completing a Nutrient Management Plan. Attend these classes to learn about preparing your NMP.

January 26 & February 2

10:00 AM to 2:00 PM

A light lunch will be provided

Manitowoc County
Office Complex - 4319 Expo Drive -
Manitowoc - WI 54221

Register by January 19, 2018 by calling
920-683-4183. Limited class size of 25.

Nutrient Management Basics Classes

Preparing your own 590 Nutrient Management Plan

Nutrient Management & Groundwater Protection

January 26

This session will take participants through basic crop and nutrient management. Emphasis will be on utilizing soil test information and fertilizer values from legumes and applied manure for planning purposes and groundwater protection

Nutrient Management Planning Tools

February 2

Participants will learn how to utilize available computer programs, such as Wisconsin SNAP+, for their nutrient management planning needs. Participants will learn how to generate computer maps for the farm.
